

Parkes Christian School

School Uniform Policy 2025

Rationale

The Principal, in consultation with the School Leadership, determines uniform requirements for all students at Parkes Christian School. The aim of the PCS uniform is to be practical, neat and tidy in appearance and safety conscious. It must be worn in an appropriate manner that upholds the values of the school and reflects expectations in the workplace.

Policy Statement

If your child is not in the correct uniform a note of explanation is necessary. If this is not provided they may be subject to the PCS Behaviour Management Matrix depending on the circumstances. If your child is wearing the correct uniform incorrectly, they may be subject to the PCS Behaviour Management Matrix.

Chewing gum is not acceptable for students whilst on school grounds, bus stops or where you are representing our school. Students chewing gum will be subject to the PCS Behaviour Management Matrix
